

PONCE INLET KEY

Luxury Beach Homes starting in the High \$800's

Now under construction, Ponce Inlet Key is a private, gated community of luxury beach homes featuring a community dock with a boat slip option for each homeowner – making it a boater's paradise!

Beach access by pedestrian walkway is located at the the other end of the subdivision creating a unique lifestyle for our residents. We offer the relaxed lifestyle of beach living with Ocean boating access minutes away from the Intracoastal Waterway dock that is part of this quaint Key West style community; a community nestled between the Atlantic Ocean and Intracoastal Waterway.

This boutique subdivision of 5 single-family lots features spacious 2-Story and 3-Story homes with rooftop terraces and Master Suites that provide panoramic views of the Atlantic Ocean and Intracoastal Waterway. Located in north Ponce Inlet, Florida.
